

St Mary MacKillop School

Strategic Plan 2023 - 2027

Our Mission

Inspired by our Catholic faith and in partnership with families and our wider community, St Mary MacKillop School creates opportunities for encountering life in all its richness.

Our Vision

St Mary MacKillop School provides an innovative and contemporary educational environment that resonates with students and their families leading to a life-long, life-wide love of learning.

In partnership with our Parish we teach the Catholic tradition and provide an invitation to encounter a love of God.

We seek to nurture students to take their place in the world as thriving people, capable learners and leaders for the world God desires.

Our Values

Founded in the Josephite tradition, we value: Relationships grounded in trust and respect. A commitment to learning; Collaboration and teamwork; The courage to work beyond our comfort zones, opportunities to celebrate success.
